Tree of light

The vibrant lights and glistening stars on this abstract Christmas tree are made prominent by the stark contrast of the black background. [CODE 55](#)

Choose a Greeting

Having chosen a card design, now choose a greeting from these 12 examples, or submit your own message of up to 4 lines.

If no choice of greeting is made, we will use Greeting No. 1

We overprint the inside of the cards with your greeting and/or company logo in black ink.

Instead of your message being overprinted on the inside of the card, we can glue-in an insert that can be more elaborate – printed in full colour if required.

Please provide company logos as vector files [.ai or .eps] while signatures should be scanned and saved at a minimum of 600dpi (*dots per inch*) [.jpg / .tif / .pdf] while photos and graphics should be saved at a minimum of 300dpi.

If you have any questions, please call 020 7491 1973.

Choose a typeface

Choose a style of lettering for your greeting from our selection of classic and contemporary typefaces shown here.

If no choice is made, we will use Typeface A (Palatino Italic).

If there's a specific typeface you would like us to use, please enquire when placing your order or provide us with your own font files in Opentype format [.otf].
